

Catherine Buckley, about 1970-1979

Object Number: BATMC 2004.71

Woman's long dress in black cotton velvet and dark grey, orange, yellow and lilac woven cotton in antique floral designs, with stand-up ruffled collar, T-shaped bodice panel, attached ties as belt and long straight sleeves with deep 12-button cuffs. Long full gathered skirt. Dress is decorated with appliqué panels of vintage fabric. Label: Catherine Buckley Fragile. This garment is made from a jacquard material woven between 1905-1935. Because of its age please handle with great care. Size: 36.

Given by Richard Lester, 2004
